

**Manufacturer's Certification Statement For the
Emergency Economic Stabilization Act of 2008.**

Purpose of Document

To Provide a compliance guide to consumers and dealers as to which Low-E Insulation products qualify for federal Tax Credits under the Emergency Economic Stabilization Act of 2008.

Under Section 25 C of the Internal Revenue Code, homeowners can receive a 10 % (up to \$500.00 total) credit on the cost of "qualified energy Efficiency improvements" including The Low-E family of products listed below. Tax credits apply to improvements made to a primary residence from Jan 1, 2009-Dec 31, 2009.

Environmentally Safe Products, Inc certifies that the following products qualify for the Federal Tax credit for existing homes which is allowed under 25C of the Internal Revenue Code :

| | | | | |
|--------------|----------------------|----------------|----------------------|------------|
| <i>Low-E</i> | <i>Econo-E</i> | <i>Micro-E</i> | <i>House Wrap</i> | <i>Tab</i> |
| | <i>Class A White</i> | <i>Ez-Seal</i> | <i>Staple Flange</i> | |

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.

Thomas E Wright
